DE MUND IS HIMSELF AGAIN.

RAINEY'S COLT WINS UNITED STATES HOTEL STAKES IN A CANTER.

Between Takes Saratoga Cup-Sir Huon Unfit-Herculoid's Beverwyck.

Saratoga, N. Y., August 25.—Twenty thousand people saw De Mund win the United States Hotel Stakes of \$10,000 today from some of the best of his own age. He did it with such astounding ease as to completely rehabilitate himself with the army of racegoers who had, after his marvelous trial of a half mile in 46 seconds last May, acclaimed him the fastest thing that ever stood on four feet. It was merely an exercise gallop for the strapping youngster to show his heels to the company opposed to him today and experts predict that the horse that beats him will win the Futurity. It did not dawn upon the critics until after today's effort that De attributed to the disuse of his customary head adornment. Under the old conditions, when wearing blinkers, Rainey's so-called gold brick invariably failed to stay and was forthwith condemned as a counterfeit. In his last two races without them he has struggled on with rare courage, hence the deduction.

failed to stay and was forthwith condemned as a counterfeit. In his last two races without them he has struggled on with rare courage, hence the deduction.

As a matter of fact De Mund ran his races in his trials early in the season and, with a long let-up, has regained his normal speed and stamina. There was a surplus of \$540 in the United States Hotel Stakes and the Saratoga Association was not called upon to contribute a cent towards the purse. Only three horses started in the Saratoga Cup of 75,500, at one mile and three-quarters. These were the celebrated Go Between, the western Derby winner, Sir Huon, and Samson, a selling plater. The layers held E. R. Thomas' candidate at prohibitive dods, the market sagging badly on Long's coltowing to his alarming preliminary canter in which positively staggered a furlong in fourteen seconds, pulling up very sore. As the race was run, however, he should have won. The opinion prevalled generally that even half fit Sir Huon could hardly have lost in view of Go Between's own unexpectedly poor showing. Go Between stumbled repeatedly in the race and midway of the stretch, with Shaw hard at work on him, appeared hopelessly beaten. Yet he got up to win quite handily right at the end because his younger opponent was palpably unfit and only a wraith of his former vigorous self. As a spectacle the Saratoga Cup was satisying. In other respects, it was one of the poorest in its long history. There now exists a well developed suspicion as to Go Between's unsoundness.

Of the three stakes that adorned today's splendid card, the Beverwyck Steeplechase over the full course, provided the most exciting sport. From the start almost, a duel was on between Herculoid and Plantom, both at the top of their form, with the result in doubt almost to the last stride. Herculoid, since the refirement of Good and Plenty, is believed to be the best crosscountry horse of the season and his victory today confirmed that impression. The wast throng good naturedly applanded Nat Ray's efforts on Phanton, o

J. R. Keene's Grimaldi was expected to live up to his private reputation on his second appearance and was backed accordingly. Conville, wearing blinkers for the first time, easily disposed of the Disguise colt's pretensions, incidentally enriching his trainer, J. E. Madden, to the extent of many thousands of dollars. The race was at six furlongs and Grimaldi barely saved second place from Ellison's Yankee Girl.

Girl.

Jockey McDaniel was suspended for the meeting by the starter.

Zambesi worked a wonderful trial on Thursday and Jimmy Rowe is authority for the statement that this colt will be Mr. Keene's chief reliance for the Futurity.

rider could have won with either Falkland, which was second, or Miladi Love, which finished in third position. Falkland was probably best and with a stronger boy up than Rice, he would have won.

The performance of Friction was more than creditable. This game colt carried 115 pounds, conceded big weight to a speedy lot, stood the hardest sort of a drive and won entirely on his courage.

Demo, which suffered most by the roughing and interference in the second race, and which was third, was claimed by C. Helfers for \$800.

Mose Goldblatt will ship his horses to Douglas Park tomorrow. With the consignment will travel the horses belonging to W. E. Walsh.

Edward Corrigan, accompanied by jockeys Buchnana and Daly, left tonight for Chicago to try out Mr. Corrigan's band of yearlings now stabled at Hawthorne.

Jockey McIntyre was ill today and his engagements were canceled.

HARMAKIS WINS THE WINDSOR HANDICAP. Not a Favorite Is First on the Opening Day at the Canadian Track.

Canadian Track,

Detroit, Mich., August 25.—An excellent card of seven races, including the Windsor Handicap, for all ages, was prepared by Secretary Parmer for the opening day at Windsor. Not one pronounced favorite got home in front, two of the races going to the second choices and the others to horses with long prices against their chances. Harmakis, one of the long shots, won the feature race. Harmakis had a rough journey. He was cut off and messed about. Properly ridden, he would have won the race with all ease. Embarrassment, the favorite, was off in a good enough position, but seemed to lack speed and finished fourth.

Jockey Hogg had a narrow escape from serious injury in the last race today. He was riding George Vivian and got into a jam at the half-mile ground. The horse fell and rolled over him, but beyond a few bruises and a severe shaking up, he received no other injuries.

J. H. Baker will ship his horses to Latonia tomorrow.

Jockey McKinney's saddle slipped and he rode

COLONEL JIM DOUGLAS THE SEASON'S FIND

Colonel Jim Douglas The Season's Find.

Cincinnati, O., August 25.—A most interesting feature of every season's racing is the development of high class horses from what previously had been considered no-account material—the finding of pay dirt in abandoned claims, so to speak. During the present year luck has played many a prank among the turfmen of the west in this respect. Half a dozen or more horses, bought for a song six months ago, their former owners glad to get rid of them at any price, have since turned out to be valuable bread-winners and among the very best performers of the western summer meetings. Such runners, for example, as John L. Inglis, Wee Lass and Colonel Jim Douglas, not to mention others, have this season displayed form far in excess of anything they had previously shown.

The real find of the season is undoubtedly the four-year-old hay colt, Colonel Jim Douglas, by Henry Young—Rainy Day, owned by Arch Oldham, a young Louisville turfman. Beginning in the spring with an unplaced start at the Falls City. Colonel Jim Douglas won two straight races, was beaten in his two following starts and then won one more purse before shipment to Latonia. At the meeting here he has carried all sorts of weights, usually making big weight concessions, and has beaten the best horses at the track at distances from six furlongs to one mile and under all sorts of track conditions. In his first start at Latonia, in a low weight handicap at a mile, in which he carried 100 pounds, he easily defeated Cottontown. The Minks, Bellindian and others in 1:39‡, and in the opinion of close observers he could that day have run the mile in better than 1:39. The most notable of his victories at Latonia was that in a six furlongs race on July 11, in which he carried 117 pounds, gave away lumps of weight to such speedy ones as Funculaire, Lady Esther, Meadowbreeze and Nonie Lucille and beat them handily in 1:14.

Colonel Jim Douglas is named after a prominent business man and turfman of Louisville, for whom

six furious, acce away lumps of weight to such speedy ones as Funiculaire, Lady Esther, Meadow-breeze and Nonie Lucille and beat them handily in 1:14.

Colonel Jim Douglas is named after a prominent business man and turfman of Louisville, for whom Douglas Park was also named. Colonel Douglas has been interested in both the trotters and runners for a number of years, although he is not actively engaged in racing. Some years ago he bought the old Nick Finzer farm near Louisville and is breeding on a small scale. He owns Henry Young, the sire of his namesake and a few choice broodmares. Colonel Jim Douglas is a rich bay in color, a compact, stout, evenly built horse. It would be interesting to know just what he might do over a long distance of ground, as in the opinion of some of the leading trainers here he could take up his weight and run any distance up to a mile and a furlong in close to record time. He was shipped to Louisville some three weeks ago to be rested up for the fall meetings and no doubt he will be seen in public again at the coming Douglas Park meeting. H. J. Perry owned the colt last year, to whom he was a sore disappointment. He showed Perry a marvelous turn of speed and his owner started him and bet on him repeatedly, but invariably after leading his company a short distance

whom he was a sore disappointment. He showed Perry a marvelous turn of speed and his owner started him and bet on him repeatedly, but invariably after leading his company a short distance quit and fell to the rear. Undoubtedly, as often happens, the horse needed the development and strength of another year's growth to enable him to maintain his speed. Perry became disgusted with him, as most anyone would have done, and sold him to Oldham.

The performance of Colonel Jim Douglas calls to mind the achievements of another Jim Douglas twenty years ago. This Jim Douglas, which will be remembered by old turfmen, was by the famous long distance runner and subsequent great sire. Wildidle, out of Yolone, a mare by Norfolk, that had previously thrown five or six good winners. He was bred in California, was foaled in 1878. Was owned and raced by C. Johnson, an Idaho turfman, and was brought east to St. Louis in the spring of the middle west at feated all the best borses of the middle west at from three-quarters to a mile and an eighth and was then sent to New York, where he met and vanquished, one after the other, pretty nearly all the crack short distance runners of that section. He was burdened with big weight in nearly all of his races, and won repeatedly in time close to the records at all distances from five furlongs to a mile and a furlong. He was one of the best racers of that year east or west and a very high-class racehorse.

Speaking of the two Jim Douglases recently an old turfman remarked, "That Colonel Jim is a good horse, but old Wildidle Jim was a better one and could have given him weight and a beating." Hit—Devout Wins the Handicap.

Cincinnati, O., August 25.—There was a big crowd at Latoula today and they saw some of the best racing of the entire meeting. Each close finishes with the exception of the sixth, in which Mansard won easily. The handicap was a struggle from start to finish. The victory of Liberty Mo in the opening number, backed from 50 to 30 to 1, started the sport off in sensational style. But after this upset speculators found little difficulty in locating all horizontal the country of the books had a losing day. Nicol's four victories out of four mounts—Bonart, bevout, Friedrand and Mildrene in the second race, claimed foul, August 25.—The was no serious interference in the race and both claims were disallowed. Goldblatt and his friends backed Mildrene, believing that the filly could take the measure of Dunne's colt. She needs a strong rider.

Jockey Pirety. Whippoorwill refused to break and the boy came to he limped across the track to the judges' stand. His leg was bruised, but he was not badly hurt. Went to post at 2:20. At post 2 minutes. Start good. Won in a canter; second driving; third the same. Nealon broke in the rear, but quickly took a forward position, headed the pacemaker on the far turn and came away and won off pulling up. Watergrass, away badly, closed a big early gap in a fissh, ran on the outside and finished a fast going second. Anneta Lady came fast from the rear and zot up for third place in the last stride. Jack Dolan was outpaced in the early running, but finished well. Givonni Balerio, as usual, failed to stay after a superior display of early speed. Royal Sceptre went well and is improving. Stoic closed up well in the last half. Court Martial got away poorly. Sly Ben showed speed for five furlongs and tired as if short, finished pulled up and looks very good.

Scratched—64273 Slicksway, 101; 63713 Penrhyn, 102.

Went to post at 2:50. At post 1 minute. Start good. Won driving; second and third the same. Herculoid made the running throughout, shook off Phantom's challenges at different points and, when beginning the closing run on the flat, was again seriously menneed by the latter, but drew out and won very gamely under the whip. Phantom trailed for the first mile, moved up repeatedly after that and simily succumbed right at the end of a superior effort. Gatebell ran forwardly and well throughout and will be heard from. Mackey Dwyer essayed to keep pace with the winner in the early running and tired badly, but shows steady improvement, however.

De Mund broke flatfooted on the inside and quickly dashed into the lead and made the runn hard held by a wide gap to the stretch, where he finished easing up and was much the best. Arcite brovery slowly and was bandleapped in the early running, but finished with a sensational stretch sprint, a casily second best and is a grand colt. Vox Populi, very fit, improved his position rapidly in the mid running and went into second place when beginning the last quarter, but readily gave way to Arcite. P monok ran well in hand in a prominent position for five furlongs and then tred, finished eased up and worth watching. Don Eurique got away very badly and closed a big gap. Aletheuo, on the inside in dyoing, after strenuous early pursuit of the leader, quit in the last quarter. Marathon broke flatfooted was shaffled to the rear early. Prince Hampton was never dangerous. Yankee Gun ran forwardly to the turn and, after going very wide, tired baddy. Lord Lovat ran up into the ruck early and then retired was eased up.

Sir Huon trailed the leader closely to the far turn, where he shot into a long lead and appeared like winning in the stretch, but succumbed in the last fifty yards, stripped very sore and did not run his race. Azelina had a fiying start, but was reserved in the middle running and consequently finished well. Woolwich stripped very sore, was excessively urged to dispose of the pacemaker and tired badly right at the end. Lady Ellison, nearly left, closed a big gap and put up a cracking effort. Wrenne set the early pace, but was shuffled to the rear on the backstretch and badly messed about. Society Bud forced a stiff pace for six furlougs and falled to stay. Celeres is a rank in and-outer. LICENSE QUESTION IS EXPLAINED.

All trainers and jockeys who will participate in the racing at Douglas Park, beginning September 3, will be required by manager John Hachmeister to present licenses from the Western Jockey Club or to deposit the fee with application for license. It will not be necessary, of course, for any person who is in good standing and having a license issued in 1906 to take out a new one. There are many, however, who have licenses from the American Turf Association only and some of these are disgruntled at what they consider extortion. They are of the opinion that, insomuch as the Western Jockey Club licenses were recognized at Latonia, the same arrangement should continue at all tracks—that our license should be sufficient, whether issued by the Western Jockey Club or the American Turf Association. The governing bodies, which derive their revenue for maintenance from license fees, take a different view of it, however, Club's cutlaw rule inoperative, the owners, trainers and jockeys will be free to run and ride horses at all western and southers tracks so long as they are in locod standing with and in possessis a bey are in locod standing with and in possessis after are in locod standing with and in possessis after are in locod standing with and in possessis and a license from both governing bodies. This was part of the agreement reached by the representatives of the two organizations when they meet in New York and arranged the schedule for the water at New Orleans and the same understanding was had when the differences of the two clubs in Louisville wee settled.

Under the schedules for the remainder of the year after September 1, there will be ninety-two days of racing—fifty-four under the rules of the American Turf Association and the Western Jockey Club. Some of the horsemen from and the rules of the American Turf Association and the rules of the American Turf Association and the possession of the part is the part of the western Jockey Club. Some of the part of participate in the racing at both City Park and the Fair

Klein, Evanston. The parlay was void as to Pope Joan, there being no separate place betting, and should be paid on the other two.
W. H., Cincinnati, O. Your parlay was a winner and should be paid on Royal Legend and All Ablaze, being void as to Inflammable.
J. J., Chicago. A bet made on a horse in a race that is declared off is a draw and does not attach to a substituted race in which the horse may start.

NOTES OF THE TURF.

Irvington Earl has leased the running qualities of Eccentrical from Harry Richard.

Barney Schreiber has declared Dr. Gardner and Nealon out of the Twin City Handicap.

It is not often that running races are postponed anywhere on account of wet weather, but it rained so hard at Butte, Montana, last Wednesday that the officials decided to carry the card over until the next day.

In addition to Go Between, the horses in which E. R. Thomas and Alex Shields each have a half interest are Diamond, Halifax and Lieber. They are to race in the name of Mr. Thomas, as was announced recently.

The latter suffered from interference and was forced to go wide in the stretch, but finished gamely and ran in improved form. Demo had a rough trip and was repeatedly roughed and forced to take back, was gaining fast in the stretch, when she was again interfered with aad this settled her chances. Went to post at 3:58. At post 3 minutes. Start good for all but Whippoorwill. Won driving; second and third the same. Devout broke running, was sent into a long lead and, being clear of interference, ran to his best form and held the others safe all the way, winning well in hand under mild urging. Miss boyle, slightly interfered with on the first turn and forced to go wide into the stretch, finished tast and gamely and was probably best today. Alma Dufour ran a good race and was gaining at the end. Tern's Rod was a contender for the first three-quarters, but tired in the stretch drive. The Minks, away slowly, closed a big gap and was going fast at the end. Whippoorwill refused to break, bolted into the fence and unseated his rider.

Overweights—Tern's Rod, 5 pounds.

closed up my offices last Tuesday and went over to Cincinnati to fix up the deal whereby my clients were able to profit on Morendo and Agra. While there I also arranged for some other good things the coming week. I don't spout hot air when I don't have winners. John J. Ward's clients don't expect a winner every day, as they know that there never was a man born who could name one horse a day and pick six winners a week. GET WISE. I am the ONLY MAN IN THIS BUSINESS that puts over LONG PRICE HORSES and ONLY ONE A DAY. Remember: I only wire one horse a day from Latonia, and only when I know something.

I will start the ball rolling with one that has been trained off the grounds and has been working great guns. This one looks like the real candy and I want my go to it for their bankrolls. Don't let the price scare you. Just set it in

FRIDAY,

Wired by me for a plunge bet to win only. Only ne horse outside the money the past week.

NOTICE! NOTICE! LATONIA LATONIA FRIDAY FRIDAY

FRIDAY

I will send a horse for the money that I have had under cover all summer. This horse has had a careful preparation at Louisville and I had him shipped to Latonia for this one race. I will be at Latonia Racetrack Sunday and Monday and will see this horse work out and I will attend personally to all arrangements to be made on this one. I will be at my office Tuesday morning ready to do business. I have two others that will start at Douglas Park next week. Turfites wishing to get in on this one wire, my terms will be \$2.00. Patrons subscribing by the week will get this one with their regular wire. You can get down for a good bet and we expect from 15 to 20 to 1 for our money. No Mistake Made Here. I have been connected with Racehorses as Owner, Trainer and Jockey for over 20 years and this is my Seventh Year in Chicago supplying information to Race Patrons, and I do not claim to be the only man in this business that puts over Long Priced Horses. I will forfeit

to anyone that can produce one of my sheets with more than One Horse on it from Latonia.

If you want Legitimate Track Information I get it. Every horse I wire away is fit and ready and trying and with an even break will get the money. Special One-Horse Wire from my man at the track. Wired in Code. Upon receipt of your order for wires I will send Code by return of mail.

'Phone Main 1293. \$5.00 FOR SIX RACING DAYS NO SINGLE WIRES SENT.—I handle One Track only and wire One Horse only each day.
